OM Engineering College has established **Open Source Technologies Club (OSTC)** for providing as well as utilizing benefits of latest free and open source technologies under guideline of Gujarat Technological University.

OM Engineering College, Junagadh, Gujarat has organized two consecutive Workshops on “C/C++” for 2nd and 4th semester students of computer engineering. The workshop was conducted with the help of IIT Bombay Spoken Tutorial Team.

More than 70 student participants have participated in this workshop enthusiastically. Some key points were discussed in workshop are:-

- What is Open source
- Importance of Open source
- What are the benefits to participate in IIT workshop related to OSTC
- Tutorials on C/C++.

Prof. Himanshu Gajera, HOD of computer department have explains importance and scope of open source technology to students
