Department: MECHANICAL

ACTIVITY INFORMATION

Activity : Industrial Tour @ Elecon Engineering Company Limited, Vallabh Vidyanagar

Type : Industrial Visit

Date: Saturday 22th & 23th August 2013

Venue : ELECON, Vallabh Vidyanagar

Duration : 2 Days

Faculty Members : Prof. U.M. Dholakiya & Prof. M.S.Patel

Total no. of Students : 120

Department of mechanical engineering had arranged industrial visit for the students of 5th sem. mechanical on 22nd and 23th August 2013.

The students visited at EMTICI Engineering Limited, Gear manufacturing division of Elecon engineering company.

The whole process of gear manufacturing is explained and shown by Mr. bhargav sir from machine department.

The whole process of gear manufacturing which as follows:

- 1) Raw material house
- 2) Machine Shop
- 3) Grinding Shop
- 4) Heat treatment Shop
- 5) Assembly & Testing Shop
- 6) Color, Packaging & Dispatch Shop

Our students have asked so many questions related to gear box, their functions, shaft etc.

Students have visited the Industry and experienced the real life of Engineer and what the role performed by the engineer on the shop floor. This helps the students to choose perfect industry or company for project work and industrial training according to their skills and interest.

Thus the beautiful journey of our industrial tour reached to a happy and beautiful conclusion where in each and every one learned lots of new things.

College Level Activity

ACTIVITY INFORMATION

Activity : Teacher's Day Celebration

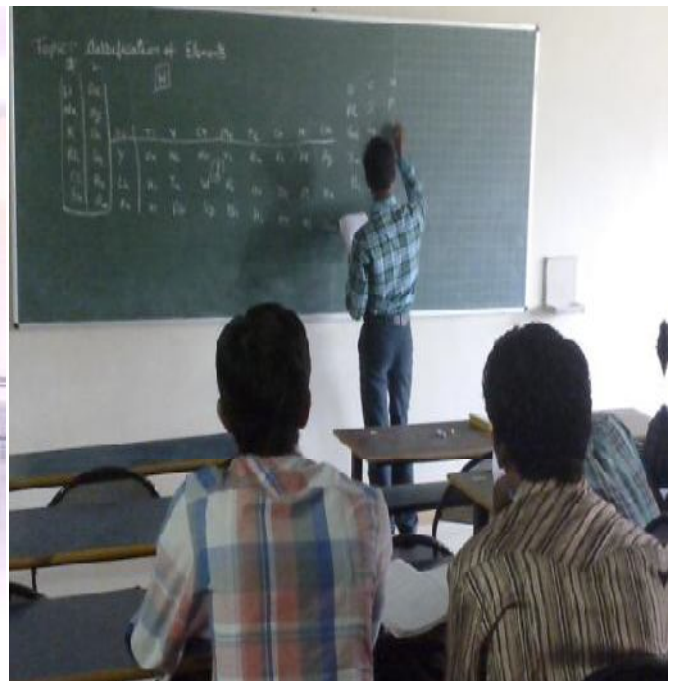

Type : Day's Celebration

Date : 05-09-2013,

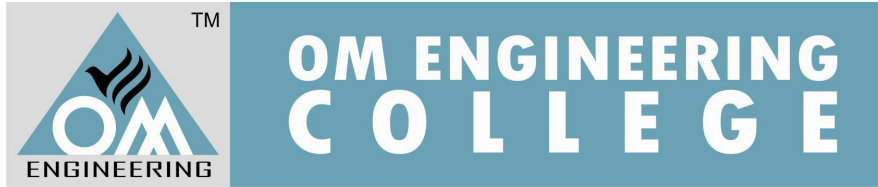

Teacher's Day is celebrated as a tribute to the valuable contribution made by teachers to the society by imparting knowledge and enlightening and shaping the career of students. For students, Teacher's Day is an occasion to pay reverence and gratitude to teachers for their selfless effort in shaping their career and enriching the education system in the process.

In our college we **celebrates** Teacher's Day department wise. As a part of our celebration of teacher's day, organized lectures taken by students in their respective classis on particular topic for time period of 35 minutes. Simultaneously students were observed by a respective faculty.

Students best performance evaluation criteria are their board work, language fluency, subject knowledge, control on class, interaction with students etc.

A COMMITTED ENGINEERING STUDY AT DEDICATED ENGINEERING CAMPUS

Approved by AICTE & Affiliated to GTU

This was done to encourage the students to actively participate and providing them with an opportunity to express their knowledge. This inculcates expressiveness of thoughts, ideas and fluency in their speech and also it helps to remove stage fear from them.

At last closing ceremony was held to further appreciate the enthusiasm of the students by giving them rank and prize according to their performances.
